Suzanne Robbert

Suzanne Robbert is an artist who works primarily in oil. Suzanne received her BA in Studio Art from Spring Hill College in 1997 and for over 20 years has worked as a professional oil painter on commission. She has volunteered and exhibited for the past 13 years at Artel and was president of that board 2008-2018.

While at Artel she advocated for local cultural organizations, coordinated and supported special events for the community. Currently she has concentrated on furthering her understanding of realism in oils while retaining a painterly quality. Suzanne's career combination of artist and gallery administrator has given her a unique understanding of both the creative and business side of exhibiting fine art.
